

CLASSIC SQUARE WITH SLATS

HOSPITALITY USE

Engineered Low-Profile Linkage - Keeps all metal parts below the mattress line.

Contoured Seat Section - Offers a wider seating area by allowing seating close to the arm.

Seat Support Wires - Provides support while sleeping, plus adds durability to the overall unit.

All-Square Tubular Heavy-Duty Construction - Provides a strong and visually appealing look with improved safety (eliminated pinch points) and comfort in the seated position.

Pro-Deck™ - Two-ply ballistic decking material enhances durability and visual appeal.

Dual One-Piece Round Tubular Legs - Provides enhanced stability and strength, allowing the unit to be operated from the center or side position.

Anti-Tilt - A necessary safety feature, keeping the unit in contact with the floor at all times in the open position.

Comfort Supports - Provide a level mattress foundation to eliminate the bar-in-the-back discomfort

Warranty - 3 Years
