

### CLASSIC SQUARE WITH SLATS

### HOSPITALITY USE

**Engineered Low-Profile Linkage** - Keeps all metal parts below the mattress line.

**Contoured Seat Section** - Offers a wider seating area by allowing seating close to the arm.

**Seat Support Wires** - Provides support while sleeping, plus adds durability to the overall unit.

**All-Square Tubular Heavy-Duty Construction** - Provides a strong and visually appealing look with improved safety (eliminated pinch points) and comfort in the seated position.

**Pro-Deck™** - Two-ply ballistic decking material enhances durability and visual appeal.

**Dual One-Piece Round Tubular Legs** - Provides enhanced stability and strength, allowing the unit to be operated from the center or side position.

**Anti-Tilt** - A necessary safety feature, keeping the unit in contact with the floor at all times in the open position.

**Comfort Supports** - Provide a level mattress foundation to eliminate the bar-in-the-back discomfort

**Warranty** - 3 Years
